We at ASC Group are committed to our society and the environment and we strive to become responsible corporate citizens of the country. Over the years we have been involved in various developmental and donation activities. We have worked towards empowering Old People / Children by creating old age home and giving financial aid and other means they need to succeed in a global economy. Our commitment to good governance, ethical conduct and social responsibility is core to our way of doing business and is strongly aligned with our drive to create and increase value for all stakeholders. Come, let's join hands and walk forward together to make this Earth a beautiful living place. Let's touch and make a difference to each life.

without expecting  
**anything in return.**
